March 10, 2008

Embassy of Afghanistan  
Washington, D. C.  
Attention: Visa Division

To whom it may concern:

The purpose of this letter is to inform the Embassy of the intended visit of the person listed below to Afghanistan, and the approximate date of the intended visit. The purpose of this visit will be to provide volunteer humanitarian services to the Afghan people, as well as to assist in the educational process of orphans and widows learning dental technology in the Kabul School of Dental Technology. These programs are approved by the Ministry of Public Health in Kabul, and the organization is sponsored by the Kabul Rotary Organization, an Afghan NGO. Please expedite the processing of the visa so that this volunteer may go forward to help the Afghan poor with their dental and educational needs. The Afghanistan Dental Relief Project, Inc. is a 501C3 Non-Profit Charitable Organization based in Santa Barbara, California, U.S.A. The website is [www.adrpinc.org](http://www.adrpinc.org).
